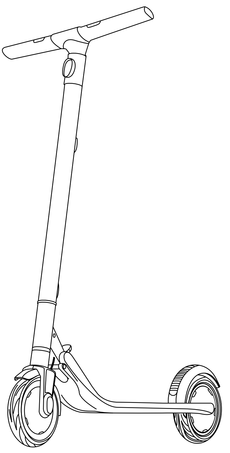
Scooter for two days

We'll bring it right to your door,
and when you're done with it, we'll pick it up.



Scooter for two days

It's lightweight and has powerful wheels, perfect for riding on the waterfront and gently drumming your fingers on the handlebars

Top PRO model

Maximum speed	40 km/h
Doesn't need charging	80 km
Maximum weight	120 kg

How it works

1. **You order a scooter**
   Choose when and where to deliver it
2. **The courier brings the scooter**
   And you pay the rental cost
3. **You ride**
   The site shows how many hours are left
4. **The courier picks up the scooter**
   When the rental is finished

Do you bring a charger together with the scooter?

Do you bring a charger together with the scooter?

The scooter comes to you fully charged. That's enough for eight days of non-stop riding. You won't need a charger.
